

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 1543 – SB 2546

January 27, 2016

SUMMARY OF BILL: Requires the identities of vendors who provide goods and services used to protect government property, government employees, or citizen information to be confidential. Documents relative to the cost of providing such goods and services shall be considered public records and shall not remain confidential.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently, the identity of vendors who provide goods and services that are used to protect government property and associated electronic information is public record.
- Currently, documents pertaining to the cost of providing goods and services in order to protect certain government property and associated electronic information are open to the public.
- Based on information from the Department of Finance and Administration and local sources, changing the category of documents that shall be considered public records will not substantively affect state or local government expenditures or revenue related to public record requests. Any fiscal impact is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
